# Kinky Sex Games

We were bored with sex, bored with each other—until the night I had a crazy idea.

Our usual gambit of tricks and variations had run out. Oh hell, I thought, what now? There was absolutely nothing that really got me hot. The problem wasn't getting it up; it was UP, but I wasn't.

There were times in my life I was so horny, I would have died for even a run-of-the-mill fuck. But on that particular night, with that particular partner, I could find nothing that really got me off.

I lay there and toyed with the idea of playing it cool and detached. I remembered we had once fucked when I was in the hospital with pneumonia. Yeah, we did it in the hospital bed. But this chick, with all her joy and love between the sheets, really didn't go in for a lot of scenes that were anything but ordinary, plain vanilla sex. Then a lightbulb flashed somewhere over my dick and I hit upon an idea.

"How about a kinky sort of little game?" I asked coyly.

"What sort of kinky little game?" she asked matter-of-factly. "Tie me to the bedposts and toss ice cubes at

my pussy?"

"You know how I hate the cold," I replied, nibbling at a nipple that seemed colder than usual. She agreed to listen to my idea, at least.

## The Game Plan

The kinky game went like this: We could each do whatever we wanted, no matter how strange, rough or gentle, as long as we kept our hands and fingers entwined in each other's hair. Sounds weird, huh? Maybe so, but definitely fun! Adding a little kink on the spur of the moment, as it were, really did it for both of us. That made it even more interesting and exciting.

## Round 1

The muscles of her back were well-defined by her extended arms that clutched at my hair, as she slid farther and farther down my torso. Her fingers tensed and pulled against my scalp as she took me deeper than ever into her mouth, pulling my cock in until I could feel the tip of her tongue at the root.

Her fingers continued to flex, curling and uncurling, like a cat's claws. She drew back and I pressed her face down hard onto my throbbing dick. We had been eating each other for months, but never like that moment!

Her tongue moved in circular motions, matching the easy flexing of her fingers. Not wanting to waste the whole experience at just that time, I eased her head away with a few tugs of my fingers.

I pulled her back up along my chest, nibbling and kissing as she approached me. I pulled her lips to mine, plunging my tongue deep into her mouth, sucking away the air she struggled to breathe. She jerked away with a tug at my hair, gasping for air. Then she smiled.

"You know," she said, biting her lip, "for kinky this sure is fun." She dived down and planted a bunch of love bites on my nipples before I could do a thing. She was headed back to my cock when I pulled her back up, and the sheer force of my weight flipped her around and un-

derneath me, settling my face into her warm, juicy snatch as I dangled my cock over her nose.

If I had tried to plan that move, keeping my hands in her hair, I would never have made it. But the spontaneity of the moment took me and around we went until she was down on me and vice versa. I was reaching around her arms to keep my hands fixed in her locks. She pulled hard on my hair as my tongue lapped on her clit. She shuddered and pulled away. I yanked on her hair and she slid her mouth down on me again as my tongue pulled along her musky sweetness, from her star-like asshole to the pink moistness of her lips.

My tongue shot out hard against the tautness of her love button. She shuddered again, tearing at my hair until I thought a handful might pull away with her. Her teeth were raking my cock and I clamped down hard on her short curls as I nipped at her lips.

She snapped upright, caught a sharp breath and went back down again, spiraling down my dick with her tongue. I turned my head to the side and saw that her knuckles were white with tension. She jerked my head again and my teeth and tongue found the soft edges of her cunt, gently licking and nibbling from the very front to the very depths.

She was sliding along the entire length of my shaft by then and I was ready to blow at any second. I tried to hold back and eased myself up to a sitting position. Her greedy mouth kept working on my throbbing cock as I turned her lithe body practically upside down. It was then that the world fell apart. I pulled one of my hands away from her head and put two fingers into her cunt.

She shook with pleasure as she pressed the tip of my dick against the roof of her mouth, and ran the edge of her tongue along the underside. My ring finger was wet with the juice of her pussy and I started to ease it into the enfolding heat of her ass. Just past the first knuckle she

sat bolt upright, let go of my hair for a second, and spun around on my stomach.

### Round 2

"What's the idea, letting go?" she demanded. "I thought we were supposed to keep both hands in place." She quickly grabbed my hair again, as though she had never let it go, giving it an unnecessary yank or two. She released her grip long enough to grab my stiff dick and settle herself down hard upon it. "Okay, dude. Let's see who can play this game better!" she laughed, and she grabbed my hair again.

deeper into her.

The delicious pressure of her cunt muscles against my cock virtually pulled and sucked the climax from me, and we both lost all awareness for a moment or two. We both snapped back at almost the same instant, realizing that our fingers were still clutched tightly in one another's hair. We broke into hysterical laughter and she collapsed against my chest. We held each other that way, savoring the touch of a lover's arms and the receding warmth of such a love bout. We drifted off to a near narcotic sleep.

She bounced and pulled, pushing and writhing on my groin like she had never done before. Just when the pleasure was about to wrack me every which way, she would change her angle or shift her weight, almost as if she were anticipating my every move and emotion.

My fingers reached out to grasp her hair and she arched her back, pushing me up against her as she pressed herself to me. She arched back until the cords of her throat were all I could see above me and then she was overcome with a spasmodic orgasm that clamped me even

### Kinky Sex Game #2

I awoke, feeling cold. The window was open and a brisk spring wind was blowing in off the river. I reached out for her and found that she was nestled deep under the covers. As I drew the covers back her hand flew out and clamped the edge of the sheets and spread down tight.

She giggled. "We played your kinky game and you even broke your own rules. Now we'll play mine." I didn't need to ask what it was.

"It's really cozy in here. You must be cold, all naked like that. Too bad I'm not gonna let you join me in our

big warm bed. Now we're going to play another kinky sex game, but this time I'm staying in here and you are staying out there in that breezy air. Got it?"

I was asking myself whether it was the cold or the slight fear of her sudden act of dominance that had made my balls shrink up into the regions of my belly button. But I had started this whole session, so I decided to do my best with it. She snaked an arm out from beneath the covers, warm with the fragrance of fresh sheets and fresh love. Her fin-

ed, drawing me up to her waiting mouth. With one sure hand on my nuts, she worked me around so that I was facing the foot of the bed as I hovered over her. She gently pulled me to her lips, placing my balls in her mouth. She sucked and pulled at them as they responded to the soothing warmth and my prick came back to attention. The goose bumps popped out along my back and sides as her nails sketched patterns along the hardness of my dick. I caught a sharp breath, realizing my teeth were on the point of chattering. Just

laughter was too much for me.

### Round 3

I yanked the covers off her, ready to come charging in. She was doubled up with laughter by then and holding on tight to the panties that she'd put on while I was still asleep. "No, no!" she cried in mock modesty. "You can't do that!"

The hell I can't, I thought. I stripped the sheet and spread from the bed, and reached for the panties that she was still clutching. I was laughing too as I tore them away and we lunged toward each other. The original fierceness of our fucking gave way to a deep and rhythmic motion that brought a warmth to both of us. We could have been banging on an arctic ice floe and we wouldn't have noticed.

A spring rain had blown up and droplets spattered against the screen and swept over us on the wind. It wasn't until we were on our sides, still clinging tightly, that we even noticed the rain. The fine droplets had mingled with the sweat of our passion. We sat up against the open window, smiling in the warmth of what we had both just felt. And the rain kept coming.

Two new kinky, original pick-me-ups, all in one night, and a lot of passion. I had a tough time getting to sleep, even with the contented purring of my girl in my arms, with both of us snug under the covers and the window closed.

The thought kept nagging at me: What happens next time? How many new angles or games or whatever you call them, can a person come up with? Forget it, I finally told myself. When it happens, it happens. I hugged her a little tighter and drifted off into a misty kind of sleep, knowing that one of us would always have a new twist to an old kink.

gers twined around my tensed-up balls and the slow rise of my hard-on coming on again.

"Those sweet, sweet balls shouldn't run away from such a warm and tender touch, should they?" came the seductive coo of her voice, her fingers exploring them with more boldness than she usually did. "Come on, loosen up a little and play my games." She laughed, pulled her arm back under the bedding, and immediately replaced it with the other arm. I was beginning to let myself go.

"Come here," she command-

then she eased up and took my cock into her mouth, along with my nuts.

The chattering of my teeth disappeared, but not the raspy sound of my heavy breathing as her tongue worked wonders on my frozen parts. Her fingertips and searching nails found the gooseflesh on my back and only served to make the goosebumps increase. I was ready to come or go blind; I didn't care which.

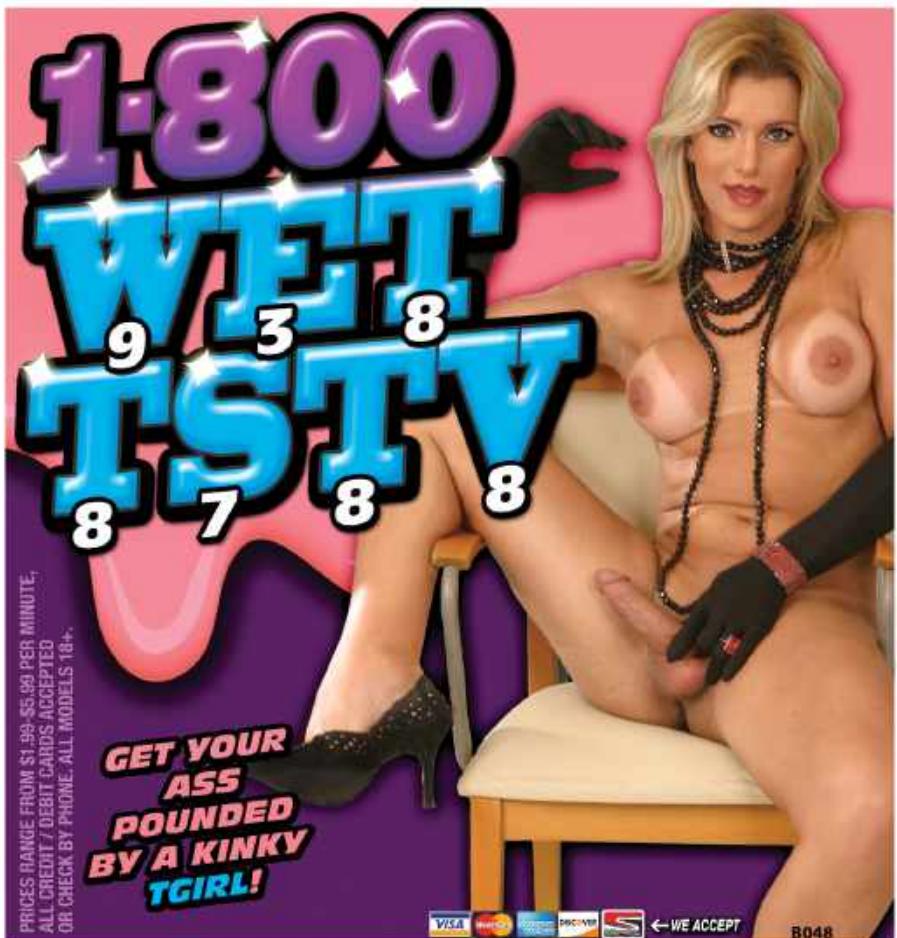

Just then she pushed me away, still giggling and teasing me. "How does it feel to get really hot and then get shut down quick?" she asked. "Feel left out in the cold, so to speak?" Her

## Evelina

This last weekend I had the house all to myself, so I invited my boyfriend George to have brunch with me. We couldn't finish the meal before we were all over each other. His hands were under my undies, toying with my clit, and massaging my breasts. Soon he had me moaning all over his stiff cock.

Phoenix usually goes outside just to bask in the sun and tan her beautiful skin. Today she's just so horny, and is sporting a very "devil-may-care" mood. Clad in her teeniest bikini, her breasts bulge out the sides, and a dildo is ready in hand. Soon, it's filling her pussy and ass.

## IF YOU CAN'T TAKE THE HEAT...

When we ran across Stacey (Saran), we found an incredibly passionate person who loves having sex, and more sex. This Brit bird exudes sex. Her body screams to be fucked and she indulges it. We were so happy to know and see a woman who is not afraid of fucking. And that bodes well for her fans, and for us, also her fan. Keep it up Stacey! – ED.

If told upon graduation from culinary school that I would end up cooking at a correctional facility—well, I would've looked at the person like they were totally nuts. Like most of my classmates I had dreams of working at a swanky restaurant where I would prepare gourmet cuisine for a sophisticated clientele.

So much for dreams, huh.

Still, my job at the prison could've been a whole hell of a lot worse; I had state retirement, fully paid health insurance, plenty of sick and vacation leave. Such perks compensated

– at least in part – for the unfulfilling nature of the work. The menu was the pits, your standard institutional fare. My mentors at school would've been appalled by the slop I served to the prisoners.

Not that I had a choice in the matter. The menu was determined by the higher ups. I prepared what they told me to prepare, no questions asked.

I felt bad for the inmates. They were criminals, sure – hell, we had armed robbers, rapists, murderers, you name it – but they deserved decent food. I had voiced this concern to the warden to no avail.

Then, just a few days ago, the proverbial shit hit the fan when the prisoners went on a hunger strike. Of course this left me with very little to do. The warden had told me to stop cooking until the strike came to an end. “No use wasting good food,” he had told me.

Unfortunately I was still expected to show up for work each day. Strike or no strike, I was a salaried employee, and the state didn’t like the idea of paying me to stay at home

and watch television.

I spent the first two days of the strike cleaning equipment, organizing the pantry, and taking inventory. By the third day I had nothing to do. Bored as hell, I stood there in my spotless kitchen when two of my trustees showed up. Under normal circumstances Curtis and Eddie were part of the team that assisted with the preparation and serving of meals.

“Hey, fellows,” I said by way of greeting, “I didn’t expect to see you two.”

“The head screw sent us,” Curtis explained. “He said you might need some help.”

His muscular forearms crossed, Eddie leaned against the wall admiring the gleaming appliances. “Wow, Ms. Kathy, the place looks fantastic.”

“Thanks,” I replied. “And I appreciate you two offering to help, but there’s nothing left to do. I’m just marking time until the strike ends.”

“Same here,” Curtis muttered.

Eddie nodded in agreement.

It was strange being all alone in the kitchen with the two of them. Usually the space was crammed with eight to ten people including myself. I felt vulnerable. Not that Curtis and Eddie were violent offenders; all trustees were doing time for relatively minor crimes.

No sooner had my unease surfaced than it was replaced by naughty cunning. I had nothing to fear, nothing at all. This was a golden opportunity to cure my boredom, and theirs as well.

Surely they would like what I had in mind.

It didn’t take much explaining on my part. Curtis and Eddie knew the score, especially when I closed the kitchen door and threw the bolt.

“I bet it’s been a long time, huh.” I un-

buttoned my white chef's jacket, then the blouse underneath. "Don't be bashful, boys. Get those clothes off. I want to see what I'm working with . . ."

Their orange jumpsuits hit the floor. I added my clothes to the pile. Two of the biggest cocks I had ever seen, big and black, brought a mischievous smile to my face. Oh yeah, I thought, this was going to be fun.

I stroked them both, Curtis with my right hand, Eddie with my left. "So hard," I commented. "So big." My pussy moistened as I worked my hands. I was excited beyond measure. My first BBC — make that two of them!

Licking my lips lewdly, I squatted like a baseball catcher and proceeded to service them with my mouth. I sucked Curtis's mammoth member while continuing to stroke Eddie's; then I blew Eddie while tugging on Curtis. All the while, I used my free hand to pet my increasingly wet pussy.

Enough with the preliminaries, I decided; it was time to get fucked in earnest . . .

I padded to the stainless steel work table. "One of you," I said over my shoulder, "throw me a jumpsuit, would you? This table is as cold as ice."

Eddie tossed me his suit. I spread it atop the table, then hopped up there and lay down. The material was coarse on my back and ass, titillating me as I spread my legs and rubbed my cunt.

Curtis went first. Eddie didn't seem to mind; he seemed quite content to stand there jerking his prick while his fellow prisoner fucked my brains out.

And that's exactly what Curtis did. I had never had it so good, so big, so unbelievably hard. My tight twat yielded to his formidable manhood. I gasped. He grunted. Eddie grinned and stroked himself faster.

In time Curtis withdrew to let Eddie have his turn. Eddie didn't disappoint, not in the least. He wasn't quite as big as Curtis, but he knew how to use it. I experienced one of the most spectacular orgasms of my life as he pounded my juicy gash.

Curtis jerked himself to completion, filling my gaping mouth with hot cum. Jizz

oozed down my chin as Eddie pulled out and deposited his load on my tits.

We were rudely interrupted by a loud banging on the door. "Ms. Kathy, you in there?! You okay, Ms. Kathy?!"

It was the head screw.

"Get dressed," I whispered to Curtis and Eddie. "And let me do all the talking."

I dressed hastily, opened the door, and greeted our visitor with my most innocent smile.

"What in the hell is going on in here?" The head screw regarded the three of us with suspicion. "You know the rules, Ms. Kathy. The kitchen door is to remain unlocked during operating hours. No exceptions . . ."

I made up some lame excuse about the door locking automatically when shut. "We've been so busy," I explained, "I didn't even realize that it was closed."

"Busy, huh?"

"Very," I replied. "Why, take a look for yourself. Curtis and Eddie have been a tremendous help."

He couldn't dispute me. The kitchen looked fantastic.

"Well," he said, "I just came to tell you that the hunger strike is officially over. It's business as usual starting tomorrow."

Back to the grind, I thought, already looking forward to the next hunger strike and some special time with my two favorite trustees.

Dear editor,

What a great layout with Shyla (Stylez) and Derrick (Pierce) in the wrestling ring. We know that wrestling was fake, but there was nothing fake here, except her boobs:) Anyway, I found it a great break from straight fucking shoots in the bedroom, and such. Give us some more of this stuff.
